

Additional Gear for Caving

- Trash bag
- **Flash light with new batteries***
- Sturdy pair of boots or shoes
- Wool socks
- Long underwear bottoms & top
- Sweat pants (not cotton preferred)
- Sweater (not cotton preferred)
- Wind pants
- Nylon shell jacket
- Work gloves
- Towel
- Complete changes of clothes (shoes, socks, underwear, jacket, pants, etc.)
- Spending money for a convenience store stop

*WEU will provide all cavers with a back-up source of light. Every caver should come with their own primary source (flashlight or headlamp with new batteries)

Please remember that anything that goes into the cave comes out wet, dirty and muddy. Guaranteed. Keeping that in mind, make sure you leave valuable, new or sentimental clothing at home. PLEASE don't forget your complete change of clothes (head to toe).
