Swim your heart out ♥♥

FONT CANDY

Our Expectations:

(We are about more than just swimming)

Respect towards self & others, kindness always, putting forth effort & encouraging others to do the same. There is no such thing as “I Can’t” Strive instead to empower “I Can Try”

What if your swimmer is unable to pass the pre-requisites? That’s why we have a swim lesson program too! Sign up to spend some time with focused instruction and perhaps they’ll be ready for Session 2!

Target Audience:

Ages 8-11 year olds who LOVE swimming, working hard and want to learn how to move smoother, faster and farther in the water.

Pre-Requisite Ability:

1. *Swim 40 yards independently *20 of which must be front crawl / freestyle.*
2. *Tread water for 30 seconds*
3. *Jump into the pool establish a back float & hold for 30 seconds.*

Equipment Needs: *Bathing Suit, Proper fitting goggles, Bathing cap, Towel and Water bottle.*

OUR GOAL: Create a supportive environment where kids feel empowered to set goals, practice skills and challenge themselves.

How to get involved?

1. Fill out and return the enclosed application and swimming waiver, along with \$25 application fee. Space will be limited to 12. We simply value the learning benefits and friendships fostered from a small group environment.
2. Join us on October 10th at 6:00pm for a brief introduction and parents meeting. Kids should plan on swimming the pre-requisite requirements this evening also. We will set up a few relay events for fun and play several pool games should time allow.
3. If your swimmer is ready to join us, please be prepared to leave a check for the sessions tuition (\$189) Made out to W.E.U.
4. Come to the practices scheduled. If you can’t make one or two? Not a problem. We want this experience to be fun and low stress for everyone (parents too!) Make-up dates are not available.
5. Save the Date: November 11th at 1:00pm! A chance to see your little swimmer race against, race with and show off their improved stroke mechanics. Adorable award ceremony to follow.
