Refund Policy - Our Refund Policy states. "There are no refunds for any cancellation received within two weeks of program date. There are no refunds for failure to show, voluntary withdrawal, sickness, or removal for from camp for violation of behavior code". In some "confirmed medical situations" we may at our discretion issue a transferable program credit minus the 25% deposit. Once registration has been accepted, any changes to your session choice will result in a \$25.00 switched registration fee. The required 25% deposit is nonrefundable and is always withheld to cover program, lost enrollment, office and registration costs.

Covid-19 & Purchase Protection

The registration platform we use is now offering 'purchase protection' through a third party where the goal is to protect you from losing your paid tuition if you have to cancel due to illness since WEU is NOT able to offer refunds for programs after registration is complete. You will have the OPTION to pay the additional fee (5% of program cost) if you would like to 'protect' your purchase. In the event of illness or cancellation you would file a claim through the insurance provider NOT wilderness experiences unlimited. They require medical documentation in the claim (I.e. Dr. note) This is an optional, 'opt-in' choice in the registration process.

There are no exceptions to the above-stated policies.

By submitting a camp registration form and authorizing payment you recognize the policies mentioned above.
